

RCPI Application Form Photo Guidance

Last modified: 14 October 2016

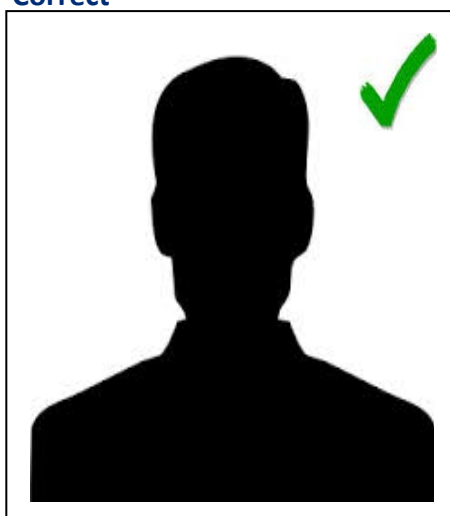

Please ensure you adhere to the following criteria:

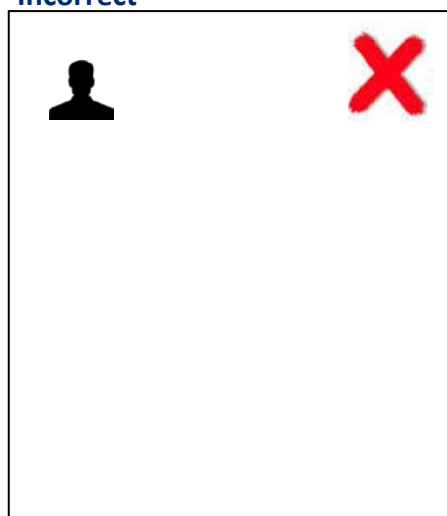

Your photo should be a close up of your face and the top of your shoulders, so that your face takes up between 70% - 80% of the frame.

You should be the only person in the photo with a frontal pose looking directly at the camera and showing your full face.

Correct

Incorrect

The photo should be saved in one of these formats jpg, jpeg, or gif and should be less than 5MB. You can review the size of your photo by right clicking on the photo, selecting properties and you should see the size listed.

Review your photo once you have uploaded it, to ensure that it is the correct size and is in sharp focus before you submit your application.

Note: You can change your photo before you submit your application. On the photo upload screen select browse, choose a replacement photo and click upload. You will see your new picture displayed.
