ATC
Anatomical Teaching Charts

Collection
1918-1969

Extent:

21 charts

Creator:

[Adelaide School of Nursing, Dublin]

Description:

Collection of anatomical teaching chart, probably used in the Adelaide School of Nursing. The charts were designed to be wall mounted, and all have their original wooden or metal supports.

Arrangement:

Charts have been divided by publisher or distributor and arranged chronologically.

Administrative History:

The Adelaide School of Nursing was found in 1859 by Miss Bramwell, who had served with Florence Nightingale in the Crimea. The school provided the first nursing education for lay women in Ireland, and has become famous for nursing excellence throughout the world.

Custodial History:

Material was rescued from a skip outside the Adelaide Hospital following its closure in 1998, it was donated to the RCPI Heritage Centre in 2013.

Related Material:

Adelaide Hospital Archive, Trinity College Dublin (IE TCD MS 11270)
Adelaide Hospital Casebooks and Medical Board Finances, RCPI (AHC)

Access Conditions:

Access subject to the conditions laid out in the Heritage Centre Access Guidelines.

Reproductions:

Copying of archive material is subject to the conditions laid out in the Heritage Centre Copying Guidelines.

ATC/1
Frosch Anatomical Charts (American Edition)

Series
1918

Extent:
5 charts

Creator:
Frohse, Fritz, 1871-1916
Brödel, Max, 1870-1941
A.J. Nystrom & Co., Publishers, Chicago

Description:
Incomplete set of Frosch Anatomical Charts (American Edition) edited and revised by Max Brödel, published by A.J. Nystrom & Co. Chicago in 1918. Labels added to the bottom of the charts give the [seller's name] as W & A K Johnston of Edinburgh.

Arrangement:
Charts are arranged by number

ATC/1/1 Chart No.1 - Human skeleton 1918

Extent:
1 chart

Creator:
Frohse, Fritz, 1871-1916
Brödel, Max, 1870-1941
A.J. Nystrom & Co., Publishers, Chicago

Description:
Chart No. 1 of Frosch Anatomical Charts (American Edition) showing the human skeleton, front and back view.

ATC/1/2 Chart No. 4 - Heart and skin 1918

Extent:
1 chart

Creator:
Frohse, Fritz, 1871-1916
Brödel, Max, 1870-1941

A.J. Nystrom & Co., Publishers, Chicago

Description:

Chart No. 4 of Frosch Anatomical Charts (American Edition) showing the schema of circulation, two cross sections of the heart, the mitral and semi-lunar valves, and two cross sections of skin. Pencil annotations have been made on the charts.

ATC/1/3 Chart No.5 - Ear and eye 1918

Extent:

1 chart

Creator:

Frohse, Fritz, 1871-1916

Brödel, Max, 1870-1941

A.J. Nystrom & Co., Publishers, Chicago

Description:

Chart No. 5 of Frosch Anatomical Charts (American Edition), showing a cross section of the human ear, the internal ear, a section of the eye, the posterior and anterior of the eye.

ATC/1/4 Chart No.6 - Viscera of the chest and abdomen 1918

Extent:

1 chart

Creator:

Frohse, Fritz, 1871-1916

Brödel, Max, 1870-1941

A.J. Nystrom & Co., Publishers, Chicago

Description:

Chart No. 6 of Frosch Anatomical Charts (American Edition), showing four layers of the viscera of the chest and abdomen.

ATC/1/5 Chart No.7 - Head and teeth

1918

Extent:

1 chart

Creator:

Frohse, Fritz, 1871-1916

Brödel, Max, 1870-1941

A.J. Nystrom & Co., Publishers, Chicago

Description:

Chart No. 7 of Frosch Anatomical Charts (American Edition), showing a cross section of the human head and the location and sections of the teeth.

ATC/2
Anatomical chart of the human skeleton

Item
[1920]

Extent:

1 chart

Creator:

Ruddiman Johnston & Co, London

Description:

Anatomical chart of the human skeleton showing the viscera, some muscles, bones, arteries and veins. Published by Ruddiman Johnston & Co London.

Chart had the names of the organs added in pen, on the reverse of the chart are a number of [anatomical] sketches, and the [date] 16-12-20.

ATC/3
Adam,Rouilly Charts

Section
c.1930s-1969

Extent:
5 charts

Creator:
Adam, Rouilly & Co.

Description:
Collection of chart published or distributed by Adam, Rouilly & Co., relating to the reproductive organs, foetal circulation and food nutritive values.

Arrangement:
Charts are arranged chronologically

ATC/3/1 Chart No. 601-F - Foetal circulation 1947

Extent:
1 chart

Creator:
Adam, Rouilly & Co.

Description:
Anatomical chart showing foetal circulation with the main organs of the viscera labelled, published by Adam, Rouilly & Co. London in 1947.

ATC/3/2 Anatomical chart of the female pelvis [mid-20th century]

Extent:
1 chart

Creator:
Adam, Rouilly & Co.

Description:
Anatomical chart of the female pelvis showing three medium sections (normal and during stages of pregnancy), a section of the ovary and the uterus.

- ATC/3/3 Anatomical chart of the male pelvis [mid-20th century]**
- Extent:*
1 chart
- Creator:*
Adam, Rouilly & Co.
- Description:*
Anatomical chart of the male pelvis, showing sections through the pelvis, bladder and testis.
- ATC/3/4 Chart CR 17 - The nutritive values of common food [mid-20th century]**
- Extent:*
1 chart
- Creator:*
Adam, Rouilly & Co.
- Description:*
Wall chart giving the nutritional value of food, based on information from the US Department of Agriculture.
- ATC/3/5 Chart C.V.16 Colombo Series - Male reproductive organs 1969**
- Extent:*
1 chart
- Creator:*
Adam, Rouilly & Co.
- Description:*
Anatomical chart of the male reproductive organs, originally designed by B A Colombo and published by Adam, Rouilly & Co. London in 1969.

ATC/4
Auzoux & Sougy Charts

Section
1948

Extent:
3 charts

Creator:
Maison AuzouxSougy, Paul

Description:
Three anatomical charts designed by Paul Soug and produced by Auzoux.

Arrangement:
Charts are arranged chronologically

ATC/4/1 Chart S.34 1947

Extent:
1 chart

Creator:
Maison Auzoux
Sougy, Paul

Description:
[Antomical chart] designed by Paul Sougy, chart is
unlabelled.

ATC/4/2 Chart S.7 - Digestive System 1957

Extent:
1 chart

Creator:
Maison Auzoux
Sougy, Paul

Description:
Wall chart of the digestive system, showing the main
digestive organs, a cross section of the head and
throat, and cross sections of various parts of the
digestive tract.

ATC/4/3 Chart S.35 - Brain

[1950s]

Extent:

1 chart

Creator:

Maison Auzoux

Sougy, Paul

Description:

Anatomical chart of the brain showing a series of sections through various parts of the brain.

ATC/5
Denoyer-Geppert Physiology Series Charts

Series
1965

Extent:
7 charts

Creator:
Denoyer Geppert Co.

Description:
7 anatomical charts from the Denoyer-Geppert physiology series, edited by F M Kittner and copyrighted in 1962. The charts are all dated 1965, and were supplied by Fannin & Co. Ltd. Dublin.

Arrangement:
Charts are arranged by number

ATC/5/1 Chart DGP1 - Skeletal system 1965

Extent:
1 chart

Creator:
Denoyer Geppert Co.

Description:
Anatomical chart of the skeletal system showing the following labelled images;

- Skeleton, front view
- Skull, median section
- Skull, front view
- Vertebral column, side view
- Articulation of hip
- Atlas and axis
- Articulation of lumbar vertebrae
- Scapula
- Elbow joint
- Skeleton of left foot

ATC/5/2 Chart DGP2 - Muscular system 1965

Extent:

1 chart

Creator:

Denoyer Geppert Co.

Description:

Anatomical chart of the muscular system showing the following labelled images;

- Musculature, front and back view
- Muscles impact on blood flow
- Voluntary muscle fiber
- Antagonistic action of voluntary muscles

ATC/5/3 Chart DGP3 - Brain and nervous system 1965

Extent:

1 chart

Creator:

Denoyer Geppert Co.

Description:

Anatomical chart of the brain and nervous system showing the following labelled images;

- Peripheral nerves
- Fundamental nerve cell unit
- Sections of the brain
- Sections of the spinal cord
- Nerve cells
- Simple reflex action

ATC/5/4 Chart DGP4 - Circulation 1965

Extent:

1 chart

Creator:

Denoyer Geppert Co.

Description:

Anatomical chart of the circulatory system showing the following labelled images;

- Arteries and veins of the body
- sections of the heart
- Scheme of circulation
- Sections of veins
- Types of blood cells
- Function of capillaries

ATC/5/5 Chart DGP5 - Digestive System 1962

Extent:

1 chart

Creator:

Denoyer Geppert Co.

Description:

Anatomical chart of the digestive system showing the following labelled images;

- Internal and digestive organs
- Teeth
- Sections of the stomach and intestine

ATC/5/6 Chart DGP6 - Eye and vision 1965

Extent:

1 chart

Creator:

Denoyer Geppert Co.

Description:

Anatomical chart of the eye showing the following labelled images;

- Views and sections of the eye
- Layers of the retina
- Binocular vision
- Normal and abnormal vision

ATC/5/7 Chart DPG7 - Ear

1965

Extent:

1 chart

Creator:

Denoyer Geppert Co.

Description:

Anatomical chart of the ear showing the following labelled images;

- Sections of the ear and cochlear
- Organ of corti
- Nasal cavity
