Manuscript series

introductory lecture at King's College, and also at another time to introduce Travers to 'Moore'.

**MS/20**  Letter from John Cheyne to Edward Percival  2 December 1818

*Extent:*
4 pages

*Creator:*
Cheyne, John, 1777-1836
Percival, Edward, d.1819

*Description:*
Letter from Dr Cheyne to Dr Percival, giving his opinion on James Macartney's 'anatomical communication', which seems to relate to the morbid appearances of fever in a recent epidemic. Cheyne has found different appearances to Macartney, he suggests this may be due to the nature of the bodies dissected. Cheyne has worked on the bodies of those who died in House of Industry whereas Macartney has to rely on bodies provided by grave robbing.

**MS/21**  Letter from Robert Graves to William Moore  20 May

*Extent:*
1 page

*Creator:*
Graves, Robert James, 1796-1853
Moore, William Daniel, 1813-1871

*Description:*
Undated note from Robert Graves to William Daniel Moore asking for his opinion on Robert Kane's paper and assistance in working out the formula, which Graves thinks may assist in his objections to the use 'of chemical nomenclature in medicine'.

**MS/22**  Letter from Whitley Stokes to his wife  22 June [1808]

*Extent:*
3 pages

*Creator:*

Stokes, Whitley, 1763-1845
Stokes, Mary Anne, fl. early nineteenth century

Description:

MS/94 Cholera map of Ireland, 1866 1867

Extent:
1 item

Creator:
Haughton, Samuel, 1821-1897

Description:
Map produced by Dr Samuel Haughton to demonstrate the spread of Asiatic cholera in Ireland in 1866. This map was produced ancillary to Haughton's article 'A scientific inquiry into some of the causes alleged to produce Asiatic cholera', published in the London
Medical Times and Gazette in 1867. In this article Haughton argued that cholera travels 'along the lines of human traffic, and improves its rate of locomotion as the facilities of human intercourse improve'.

The map demonstrates the contact theory on the course of the cholera in Ireland, and its progressive appearance at various points.

**MS/95 Medical diaries and visiting lists 1902-1903**

*Extent:*
2 items

*Creator:*
Unknown

*Description:*
Medical diaries and visiting lists for 1902 and 1903, both contain records of which patients have been seen each day and in some cases more details on their condition and/or treatment. There are some occasional notes which relate to personal matters, for example a record of entering 'Harry' (presumably a son) as a medical student at the Cecilia Street Medical School. The name of the doctor who owned the diaries is not recorded.
