

## Revised Exams Calendar – Published 22 May 2020

### MRCPI General Medicine

<b>Part I</b>	30 June 2020**	6 October 2020***	TBC January 2021***	TBC April 2021***
<b>Part II Written</b>	1 July 2020**	15 September 2020***	17 November 2020***	TBC March 2021***
<b>Part II Clinical (Ireland and International)</b>	As our clinical examinations are delivered in a hospital setting and require close contact with real patients, there is a lot of complexity associated with delivering these examinations. We will be guided by public health advice and will work closely with the clinical exam boards and others as to the best way to proceed. We realise these are important examinations, but we need to deliver them in a way that is safe, and still maintain the standard and integrity of the examination process. We will have further information in due course.			

**Note:** \*Exam dates are subject to change given the evolving nature of COVID19

\*\*June and July examinations are open only to candidates who were offered a place in the postponed March/April 2020 examinations.

\*\*\* Opening and closing dates to follow

### MRCPI Paediatrics

<b>Part I</b>	25 June 2020**	TBC January 2021***	TBC April 2021***
<b>Part II Written</b>	20 August 2020**	18 November 2020***	TBC March 2021***
<b>Part II Clinical</b>	As our clinical examinations are delivered in a hospital setting and require close contact with real patients, there is a lot of complexity associated with delivering these examinations. We will be guided by public health advice and will work closely with the clinical exam boards and others as to the best way to proceed. We realise these are important examinations, but we need to deliver them in a way that is safe, and still maintain the standard and integrity of the examination process. We will have further information in due course.
